Immersive Language Program

Enhancing English language skills in the heart of downtown Toronto

Our Immersive Language Program is a short-term option for groups of students looking for specialized English language teachings that are both theoretical and practical. Our curriculum is based on the United Nations' Sustainable Development Goals (SDGs), empowering students to find creative solutions for economic, social and environmental challenges through collaborative project-based learning.

Program Outcomes

Refine and enhance core linguistic skills

Our program aims to drive key improvements in fundamental English skills, including academic reading, writing, listening, speaking, grammar, pronunciation, and vocabulary.

Develop critical and analytical thinking

Students will learn how to connect the local and global impacts of real-world events, policies and strategies to people and communities.

Experience Canada's most diverse city

We are located at the heart of downtown Toronto – ranked as one of the top 10 most livable, safe & diverse cities in the world. This program will provide students with an immersive experience living in a global city.
