[^] Optional co-op - five years in length

International Student Service & Support

As the #2 ranked university in Canada for student services, we understand the ambitions and needs of international students. Our International Student Support (ISS) office provides support for all aspects of your student journey. Whether you want to speak to the Student Experience team or our licensed International Student immigration advisors (RISIAs and RCICs), your ISS advisors are here for you.

Student Life

We know how important life outside of courses is. As a result, TMU provides over \$200K/year to support student-led initiatives. If you want to join a club, start an association or find opportunities to develop leadership experience, resilience and confidence, we'll support that too!

Innovation that Works

TMU's program innovations prepare you to confidently adapt to a fast-changing global landscape. Alongside traditional academics, our Zone Learning model spans ten sectors and provides unparalleled opportunity for you to explore original ideas or practice newly acquired skills. Notably, the DMZ, a digital tech leader and founding Zone, has nurtured more than 4,700 startups and secured \$2.7B in funding.

Innovation and opportunity were two of the propelling factors I cherished about my program and TMU.

DUMEBI OSADEBE

Hometown: Lagos, Nigeria

Program: Computer Science

Our Location

At the centre of Toronto, our compact, walkable campus, provides proximity to Canada's leading economic, cultural and tech organizations. With safe residence and housing options, food that reminds you of home and multicultural experiences that only the world's most diverse city can provide, you can explore your passions while preparing for life after graduation.

Life after Graduation

With real-world applications integrated into your education through co-op, internships, field placements, specialized labs, performances, industry competitions, Zone Learning and more —all in the centre of Canada's economic capital—you'll graduate with a strong academic foundation and valuable experience to stand out from the crowd.

How to Apply

Visit our website for a step-by-step guide.

torontomu.ca/international/admissions/how-to-apply

1. Review Dates and Requirements

Apply by February 1st for September intake.
Apply by mid-October for January intake.

2. Apply Online

3. Submit Documents

4. Check Your Application Status

English Language Pathway Programs

Our English Language Institute provides an ideal starting point for students to achieve academic and personal success. Our ELI offers English upskilling through 6 different intakes a year based on your English Proficiency level. These pathway programs help you meet the language requirements for TMU's undergraduate programs:

torontomu.ca/english-language-institute

Your English proficiency level determines your pathway:

IELTS 5.0 |
Duolingo 80-90

ESL
Foundation
Program
(two terms)

IELTS 5.5 |
Duolingo 95-100

Pre-English Boost
+ English Boost

IELTS 6.0 |
Duolingo 105-115

ESL
Foundation
Program
(one term)

OR

English
Boost

Connect

with us.
