ChemDraw Site license Software Installation

- 1.) If you are a new user, and don't have an account with Revvitysignals, navigate to this [site](#). If you already have an account, skip to step 4.
- 2.) Fill out the provided form. Your Torontomu email must be used in the "Email address" Field.
- 3.) After registering, you will receive an email from Revvity Signals within a few minutes. In the email, you will be provided with a link to activate your account and your username.
- 4.) Once account has been set, login to your account at this [link](#)
- 5.) Once logged in, you should be in the page for "List entitlements". There will be a table with the list of software, there should only be one product for ChemDraw. Click "Download Now" on the far right of the table.

<input type="checkbox"/>	Entitlement ID	Product	Quantity_Purchased	Start Date	Expiration	Maintenance	Product_Activation	Downloads
<input type="checkbox"/>	ORD72715	ChemDraw Professional. MEDIUM Academic Institutional Subscription, includes Supp..	1	Apr 22, 2024	May 16, 2025			Download Now

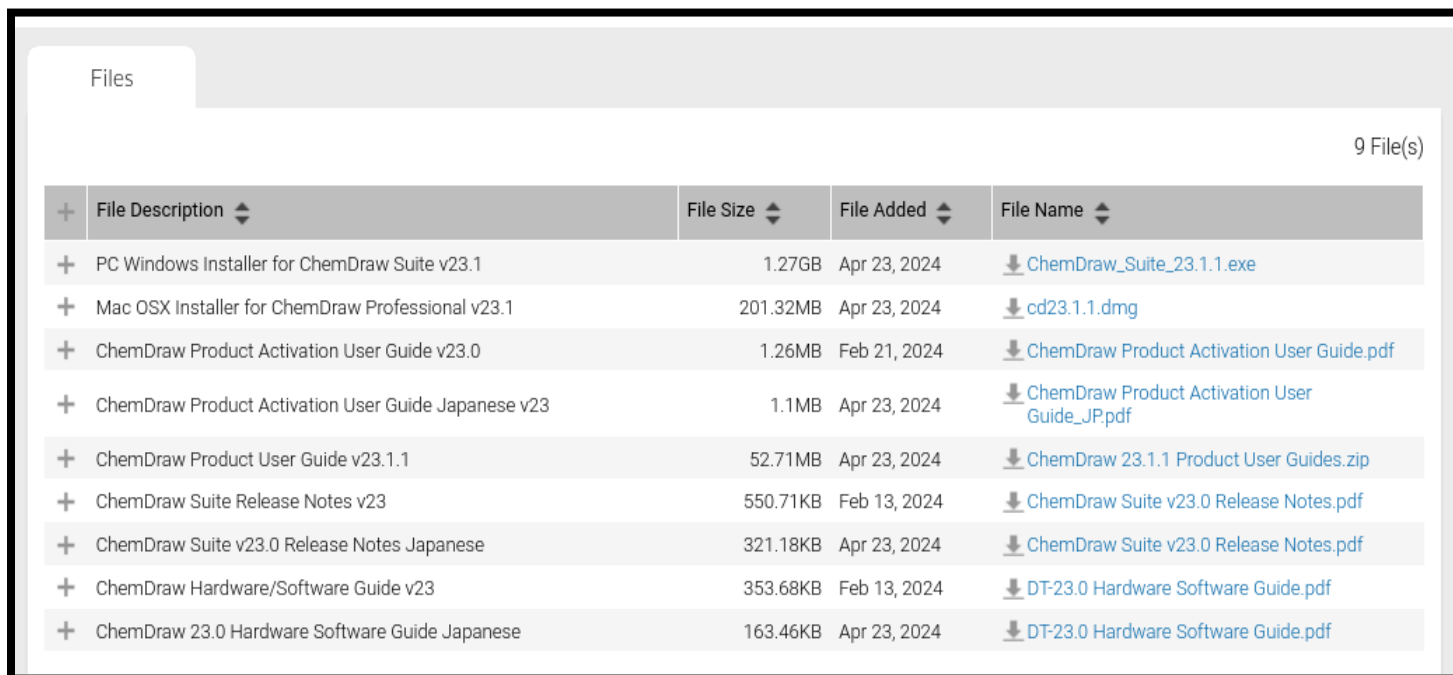

- 6.) In the download Order page, you can choose the desired version. Click on "ChemDraw Professional" for the Newest version. The product activation code, highlighted in yellow, will also appear on this page. Keep note of that code, it will be needed when installing the software.

Product Activation Code: [Redacted]

Product: ChemDraw Professional. MEDIUM Academic Institutional Subscription, includes Supp..

Version	Download Package
22.2	ChemDraw Professional
	Quick Start Guide – Open Me First (ChemDraw Professional) R1

7.) A number of files will appear, download the product that will work for your operating system. For windows machines, click the link that ends with “.exe”. For MAC, click the link that ends with “.dmg”. The numbers in the link may be different from the ones in the image depending on what the latest version of chemdraw is currently active.

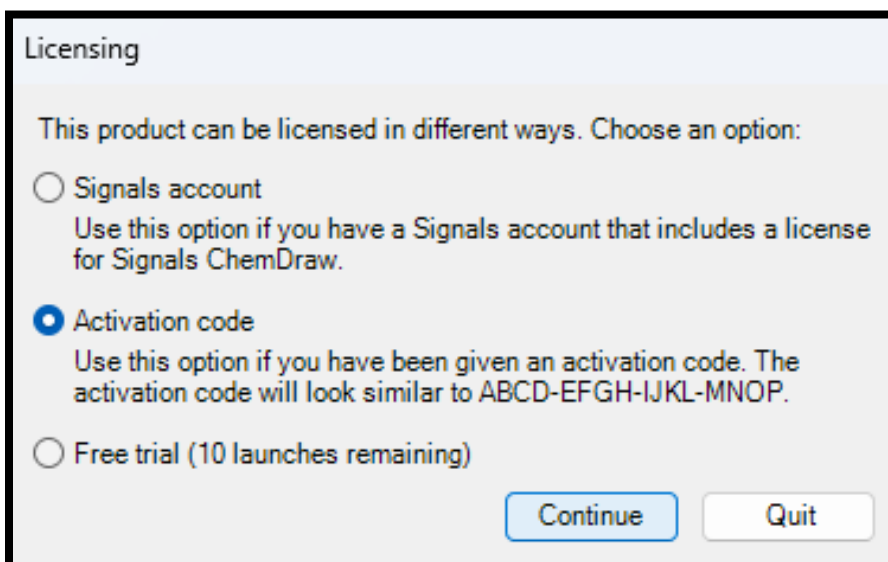

The screenshot shows a file management interface with a table of 9 files. The table has columns for File Description, File Size, File Added, and File Name. Each row includes a plus sign icon to the left of the description and a download icon to the left of the file name.

+	File Description	File Size	File Added	File Name
+	PC Windows Installer for ChemDraw Suite v23.1	1.27GB	Apr 23, 2024	↓ ChemDraw_Suite_23.1.1.exe

+	ChemDraw Hardware/Software Guide v23	353.68KB	Feb 13, 2024	↓ DT-23.0 Hardware Software Guide.pdf
+	ChemDraw 23.0 Hardware Software Guide Japanese	163.46KB	Apr 23, 2024	↓ DT-23.0 Hardware Software Guide.pdf

8.) When the download is complete, open the file. The software should begin to extract on its own. Accept all default options during the installation.

9.) Once the installation is complete, open ChemDraw. The below prompt will appear. Choose “**Activation code**”.

The screenshot shows a dialog box titled "Licensing". It contains the text "This product can be licensed in different ways. Choose an option:" followed by three radio button options. The "Activation code" option is selected. At the bottom right, there are "Continue" and "Quit" buttons.

Licensing

This product can be licensed in different ways. Choose an option:

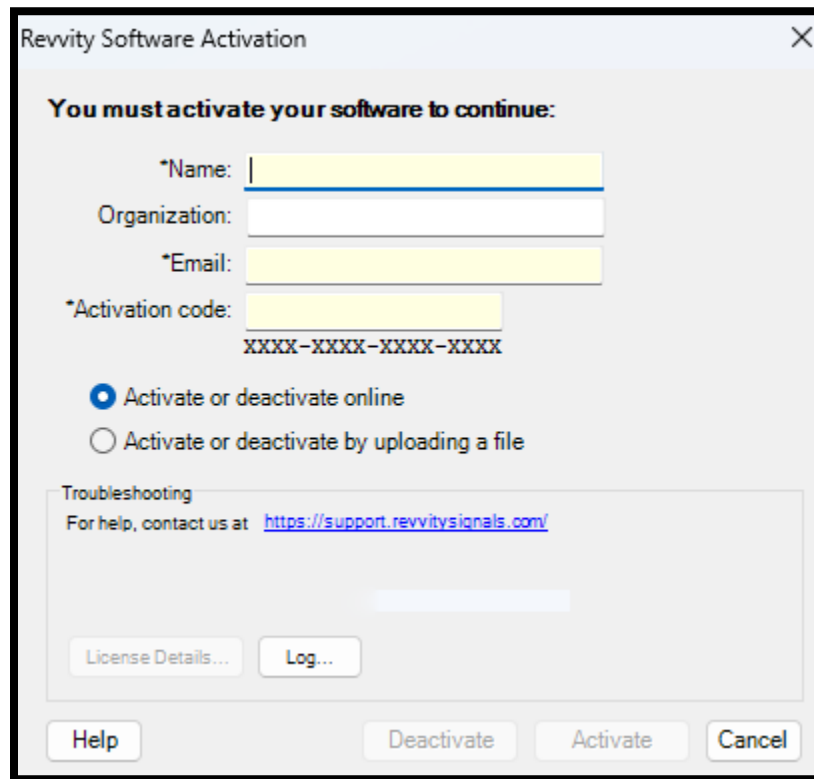

Signals account
Use this option if you have a Signals account that includes a license for Signals ChemDraw.

Activation code
Use this option if you have been given an activation code. The activation code will look similar to ABCD-EFGH-IJKL-MNOP.

Free trial (10 launches remaining)

Continue Quit

10.) Next, the activation menu will appear. Fill out all text fields. For the “Activation code” field, enter the code that was noted in step 6. Click activate.

The image shows a software activation dialog box titled "Revvity Software Activation". The dialog contains the following elements:

- Title Bar:** "Revvity Software Activation" with a close button (X) in the top right corner.
- Message:** "You must activate your software to continue:"
- Fields:**
 - *Name: [Text field]
 - Organization: [Text field]
 - *Email: [Text field]
 - *Activation code: [Text field] with a placeholder "XXXX-XXXX-XXXX-XXXX" below it.
- Options:**
 - Activate or deactivate online
 - Activate or deactivate by uploading a file
- Troubleshooting:** A section with the text "For help, contact us at <https://support.revvitysignals.com/>" and a search bar.
- Buttons:** "License Details...", "Log...", "Help", "Deactivate", "Activate", and "Cancel".
