Program & Field Options

Please choose one of the following options. It is expected that students enrolling in the Master's program will continue on to the PhD, as our program is essentially a combined MA/PhD.

Master's Program (MA) - Full-Time	Doctoral Program (PhD) - Full-Time
☐ Psychological Science ☐ Clinical Psychology	☐ Psychological Science ☐ Clinical Psychology *Note: Applicants who have not completed, or are not currently enrolled in, a Master's program should select the Master's program.*

Potential Supervisors

Please list below up to five potential supervisors with whom you would be most interested in working with. A list of our graduate faculty & their research interests is available at https://www.torontomu.ca/psychology/about-us/our-people/faculty/.

◯ No   ◯ Yes

Indicated Toronto Met as a proposed host institution on your CGS award application?
◯ No   ◯ Yes

If Yes, please indicate which <u>one</u> of the following awards you have applied for:
☐ Master's SSHRC   ☐ Master's CIHR   ☐ Master's NSERC
☐ Doctoral SSHRC   ☐ Doctoral CIHR   ☐ Doctoral NSERC

Other Awards Applied For: If applicable, list any other scholarships, fellowships, grants, etc. that you have applied for, to be held at Toronto Met next Fall.

Statement of Interest (pg. 1 of 2)

The statement of interest should be approximately 500 to 1000 words in length, and should describe your reasons for pursuing graduate study in the Psychology program, your research interests, how your previous studies and experiences have prepared you for the program, as well as your career objectives and how the graduate degree will advance them. It is optional to provide any additional information that you consider relevant to the application. This may include nonacademic activities or attributes (e.g., engagement with communities or lived experiences related to your prospective fields of study).

Statement of Interest (pg. 2 of 2)

The statement of interest should be approximately 500 to 1000 words in length, and should describe your reasons for pursuing graduate study in the Psychology program, your research interests, how your previous studies and experiences have prepared you for the program, as well as your career objectives and how the graduate degree will advance them. It is optional to provide any additional information that you consider relevant to the application.
